### BASIS FOR SAC CERTIFICATION:

(U) A. Basis of Authorized Investigation (S) This case was originally opened in 09/2001 based on source information that ANWAR AULAQI (subject) served as a spiritual leader for 9/11 hijackers NAWAF M. AL-HAZMI and KHALID AL-MIHDHAR when he was

formerly the Imam at the Al-Ribat Mosque in San Diego, California. In 01/2001, subject became the Imam at the Dar al-Hijrah Mosque in Falls Church, Virginia. His movement from San Diego to Falls Church roughly coincided with that of AL-HAZMI and AL-MIHDHAR. Financial analysis indicated that AL-HAZMI may have been staying with AULAQI in Falls Church in 04/2001. AULAQI was interviewed and admitted knowing AL-HAZMI but denied knowing AL-MIHDHAR. The case was closed after subject moved to Yemen in 2002.

Aulaqi holds an engineering degree from Colorado State University and obtained religious training from a France based Islamic correspondence program on Sharia and FIQH. Aulaqi obtained a Master's degree in Education from San Diego State University. He currently attends George Washington University where he is pursuing a PhD in Human Resource Development. Mosque, at 3159 Row Street, Falls Church, Virginia. He resides at 3331 Kaywood Drive, Falls Church, Virginia.

(U) ~~(S)~~ After the September 11, 2001 terrorist attacks T-1 reported that Aulaqi was the spiritual leader of Nawaf M. Alhazmi and Khalid Almidhdir, two hijackers that were on American Airlines flight 77 that crashed into the Pentagon. The source reported that Aulaqi met consistently and privately with Alhazmi and Almidhdir for prayers and the Juma.

(U) ~~(S)~~ Between 09/15/01 and 09/19/01 Aulaqi submitted to four FBI interviews. In an interview on 09/17/01 Aulaqi was shown a picture of the flight 77 hijackers and thereupon stated that he knew Nawaf Alhazmi from the Al-Ribat mosque in San Diego. He did not recognize Khalid Almidhdir.

(U) ~~(S)~~ During the FBI interview, Aulaqi was familiar enough with Nawaf Alhazmi to describe some of Alhazmi's personality traits. Aulaqi considered Alhazmi to be a loner who did not have a large circle of friends. Alhazmi was slow to enter into personal relationships and was always very soft spoken, a very calm and extremely nice person. Aulaqi did not see Alhazmi as a very religious person, based on the fact that Alhazmi never wore a beard and neglected to attend all five daily prayer sessions. Aulaqi also was able to provide a physical description of Nawaf Alhazmi.

(U) ~~(S)~~ Intensive analysis of Aulaqi's activities and associates is ongoing at WFO and San Diego. This data suggests a more pervasive connection between Alhazmi and Aulaqi than what he admitted to during his interview with the FBI.

U.S. Immigration and Naturalization Service (USINS) records indicate [redacted] entered the U.S. in 1989 from Ethiopia. He became a naturalized U.S. citizen June 14, 1996.

On September 11, 2001, Nawaf Al-Hazmi and Khalid Al-Mihdhar hijacked American Airlines Flight #77 and crashed the plane into the Pentagon. Passenger manifests from American Airlines confirmed Al-Hazmi and Al-Mihdhar were passengers on American Airlines #77.

with Omar Al-Bayoumi at 6333 Mount Ada Road, apartment 152 San Diego, California. Prior to that, they indicated they lived in Saudi Arabia. Al-Bayoumi further appears as co-signer and guarantor for Al-Hazmi and Al-Mihdhar on their rental application. Al-Bayoumi recommended Al-Hazmi and Al-Mihdhar to the property manager of the Parkwood Apartments and was listed as the co-signer and guarantor on their lease because they did not have established credit. According to the apartment manager of the Parkwood Apartments, Al-Bayoumi occasionally paid rent for Al-Hazmi and Al-Mihdhar. Although Al-Hazmi and Al-Mihdhar always appeared to have cash available, no employment was indicated on the rental application. Al-Hazmi and Al-Mihdhar vacated the apartment at the Parkwood complex in May 2000 and left no forwarding address however, for unknown reasons, an address of [redacted] Lemon Grove, California was written on the rental agreement. b6 b7C

Investigation has determined after vacating the apartment at Parkwood, Al-Hazmi and Al-Mihdhar moved to the above address in Lemon Grove, California which they found through an advertisement at the Islamic Center of San Diego.

Al-Hazmi and Al-Mihdhar received flight training while living in San Diego, California. It is believed they received this training in order to be able to maneuver the hijacked American Airlines airplane and crash it into the Pentagon. [redacted] is a close friend of [redacted] a commercial airline pilot living in San Diego, California. [redacted] has flown in an airplane with [redacted] several times. [redacted] is a certified flight instructor. [redacted] has admitted that in May 2000, Al-Hazmi and Al-Mihdhar contacted him and spoke to him about receiving flight training. [redacted] stated Al-Hazmi and Al-Mihdhar specifically asked him if they could learn to fly Boeing jet aircraft.

Parkwood Apartments records indicate Omar Al-Bayoumi and [redacted] moved into apartment 152 on or about September 1, 1999 with [redacted] Al-Bayoumi listed his occupation as student and claimed to receive financial support from his family. According to the records of the Parkwood Apartments, Al-Bayoumi and his family moved out of their apartment on June 23, 2001. Al-Bayoumi advised he was leaving the U.S. and left no forwarding address with the property management company. b6 b7C

An individual who has requested confidentiality (PC1) has stated Al-Bayoumi is believed to work for the Saudi Arabian Intelligence Service and reports on dissident Saudis in the U.S. Rental and other records indicate Al-Bayoumi consistently indicated his occupation as that of a student.

DC.

[REDACTED] Aulaqi was observed exiting the aforementioned vehicle and walking east on I Street, where he entered Rice Hall, located at 2121 I Street, Northwest, Washington DC.

Aulaqi exited the aforementioned building and walked west on I Street and entered back into his vehicle. Surveillance did observe the subject taking a "City Paper" from a newspaper box along his route back to the vehicle.

Aulaqi drove his vehicle south on 23<sup>rd</sup> Street NW, to east on H Street NW, to east on Pennsylvania Avenue NW, to north on 18<sup>th</sup> Street NW, to west on I Street NW, where he was observed pulling over and appeared to be looking at another "City Paper" newspaper box.

Aulaqi was no longer observed during this shift.

b7E \*\*\*\*\* Due to the fact Aulaqi used an ATM machine to obtain cash and he used a public payphone to make a phone call, surveillance believes Aulaqi possibly set up a meeting with a prostitute from a local escort service. This theory is also supported by past observations by [REDACTED] on Aulaqi, and the general location in which surveillance last observed him on this shift. Checks were made of all known frequented hotels Aulaqi uses for these types of liaisons with unsuccessful results.

From Border's Aulaqi drove to Washington DC. He seemed to be in very much of a hurry, driving in excess of 15 miles per hour over the speed limit on Route 50. Aulaqi drove directly to the red light district of Washington DC, NW. Surveillance recognized the area from Aulaqi's pattern and gave Aulaqi room to maintain a discreet surveillance. The traffic in the area was light, and Aulaqi was observed circling through the area, making turn arounds and switch backs. Because it has recently come to light that Aulaqi may be aware of surveillance [redacted] did not crowd him as he circled the area. Aulaqi was last observed as he stopped his vehicle on 15th Street NW, exited the vehicle and utilized a Bank of America ATM machine located just south of L Street NW, and once again as he drove north on 14th Street, turned around, and proceeded south on 14th Street.

### Analysis / Administrative Data

at Aulagi's residence, 3331 Kaywood Drive, Falls Church, Virginia.

At approximately [REDACTED] Aulaqi's wife was seen driving the white van with Virginia license plate YGM-1238 and drove to the Staple Store, Bailey's Crossroads Shopping Center, Falls Church, Virginia. She was only there for a few minutes and then drove directly to the Mosque at Row Street. Surveillance believes she may have picked up kids and then drove back to the residence at [REDACTED]

When Aulagi departed the Mosque at [REDACTED] surveillance was unable to determine how many passengers were in the van with him. However, once he arrived at George Washington University, he was seen getting out of the van along with three other Unknown Middle Eastern Males (UMEMS). They all entered the Marvin Center building.

Analysis / Administrative Data (continued):

**\*\*Note:** It is believed that UMEM's placed their shoes outside the door of Room #406 before entering. Also, two of the UMEM's appeared to be in their late teens to early 20's (College Age) and were carrying backpacks, which they also left outside the door of aforementioned room.

**\*\*\*Note:** Surveillance was able to obtain a flyer which said the following: THE LIFE OF THE PROPHET, EVERY TUESDAY 7:30PM - 9:30PM, GOVB07, WEEKLY SEIRAH CLASS WITH SHEIKH ANWAR AULAQI, CHAPLAIN AT GWU & IMAN AT DAR AL-HIJRAH MOSQUE.

When Aulaqi arrived downtown, he drove around a few times to find a parking space on the street. As he walked toward the building, he and one of the UMEM's walked and talked together, while the other two (younger males), walked a few paces behind him as they approached the Marvin Center. Possibly because Aulaqi has longer legs. They walked up the stairs to the 4th floor where they entered room #406.

Aulaqi was dressed in traditional attire, wearing a black coat and a white skull cap. One of the UMEMS was also dressed in traditional attire and a skull cap. The two younger UMEMS were possibly dressed in blue jeans and one of the two wearing a brown leather jacket. Aulaqi took a normal route back to the Mosque on Row Street, Falls Church, Virginia. It appeared that he just dropped off his passengers and went directly to his residence, 3331 Kaywood Drive, Falls Church, Virginia.

Aulaqi stopped briefly at the Aphrodite Greek Market. He made a small purchase and then returned to the residence. Aulaqi was alone.

Aulaqi departed his residence with UMEM #1 as a passenger and drove directly to the Borders Book store located at Bailey's Crossroads Center. UMEM #1 was described as early to mid 20's, 5'7", dark hair, light complexion, short beard, wearing jeans, tan jacket, and wire rim glasses. UMEM #1 could have possibly been a student of Aulaqi. According to the Northern Virginia yellow pages the listing for Bargain Buggies contains the area listed as Landmark. It appeared to surveillance that Aulaqi could have mistaken the Landmark entry in the phone book as the exit to 236 east by Landmark Mall. It also is of note that the Homestyle Inn and the Bargain Buggies have the same address listed in the phone book. This could account for the stop and the Homestyle Inn. While this route can be construed as a surveillance detection route, the writer of this log feels Aulaqi just did not know the exact location of the Bargain Buggies Rent-a-Car hence the U-turns and the non-direct route to this location.
